Victoria Belova

Accountant

I am an independent accountant with 5 years of experience in Belarusian accounting and 8 years experience in the field of taxes. I have been living in Poland since 2022 and studying Polish legislation (accounting and tax accounting). I am interested in developing as an independent accountant and then as a chief accountant in Poland. I am interested in tax law - I follow and read interpretations of regulations on an ongoing basis. I am also interested in continuous development of my skills and competences, which is why I take part in professional development, courses and training.
